

Rays of Hope

April - June 2022

More Fun Less Fear

The Summer Camp 2022, was set out at KIRAN's Inclusive School, from 9th May and culminated on 15th May. The theme for this year was – World Peace

More than 180 students participated from classes III to VIII, in different activities- music, dance, drama, English speaking, computer and art & craft.

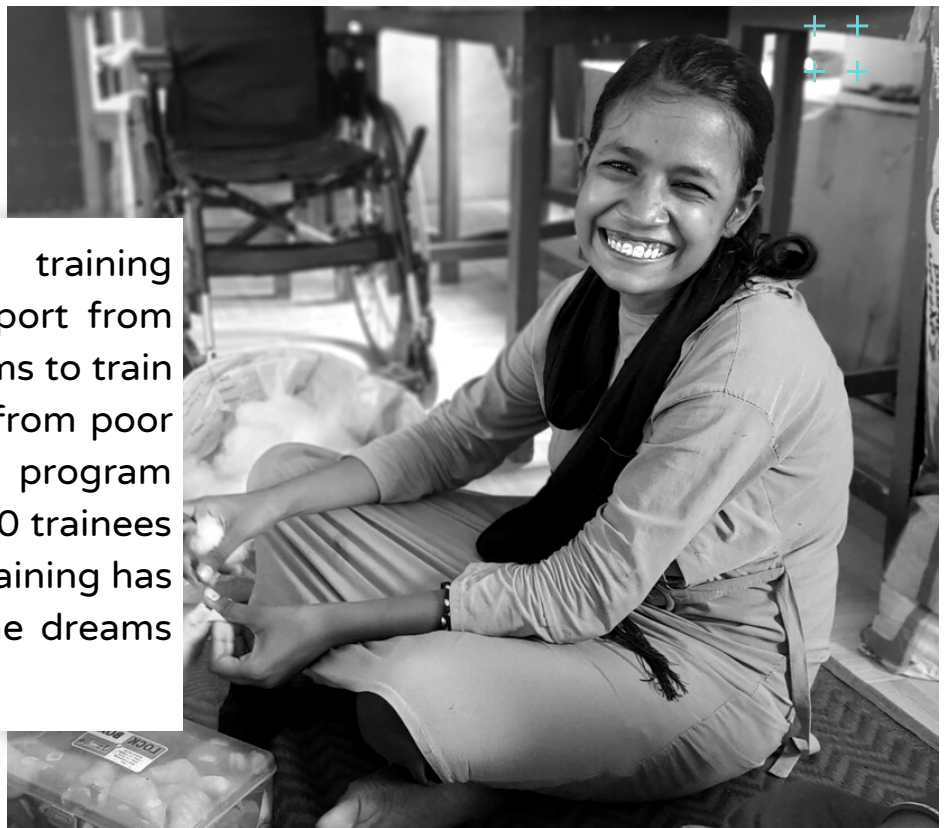

This Summer Camp aimed at keeping the students engaged & provided them an even platform to express their creativity. They not only made memories while having fun but they were able to face their fears, try new things. They were able to new skills amidst lot of laughs & learnt team spirit. On last day the children presented a wonder program. Chief guest the Assistant City commissioner of Varanasi Rajesh Aggarwal congratulated the effort.

#Dreams

SWAVALAMBAN is a training program run with the support from Kiran Majumdar Shaw. It aims to train youth with disabilities and from poor economic sections. This program initiated in April with 80 trainees enrolled for skill training. Training has initiated to help make some dreams true.

#Happiness

Mother of Prince had no idea how to care for her son with many disabilities. Her training at KIRAN has made her believe in herself that she can.

She tells with overwhelming joy "Prince can now sit and has started learning, and he loves his new chair.

Meanwhile Prince has become friend with his physiotherapist. His happiness during therapy sessions is a joy to watch.
